ARBORIST AND LANDSCAPE PROFESSIONAL SERVICES

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

It is agreed that the following definitions are added to **SECTION V – DEFINITIONS**:

23. "Professional services" means services you are qualified to perform for others in your capacity as an arborist, consulting arborist, landscape architect, landscape designer, landscape planner, irrigation designer, or other related professions. Those services include but are not limited to providing designs, plans, specifications, valuations, opinions, recommendations, studies, reports, evaluations, diagnoses and expert testimony.

24. "Arborist property damage" means physical injury to trees, shrubs, plants or lawns caused by your negligent act, error or omission in rendering or failing to render your "professional services", including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it.

It is agreed that paragraph 17. "Property damage" in **SECTION V – DEFINITIONS** is removed and replaced with the following:

- 17.** "Property damage" means:
- a.** Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or
 - b.** Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it; or
 - c.** "Arborist property damage."

For the purposes of this insurance, electronic data is not tangible property.

As used in this definition, electronic data means information, facts or programs stored as or on, created or used on, or transmitted to or from computer software, including systems and applications software, hard or floppy disks, CD-ROMS, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

It is agreed that **SECTION I – COVERAGES**, paragraph **2. Exclusions j. Damage To Property (4), (5) and (6)** do not apply to "arborist property damage."

The most we will pay for "arborist property damage" is the cost of repair or replacement of the damaged property, whichever is less. The deductible applicable to this coverage is \$1,000 per each occurrence.
