Summary:

Chartis is a world leading property-casualty and general insurance organization serving more than 45 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry's most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

Why clients can count on them:

- Financial strength that allowed Chartis to pay an average of \$75M in claims worldwide every business day in 2009.
- World-class talent with the know-how to assess vulnerability and underwrite the most complex risks – delivered through a local presence that enables them to respond rapidly when unforeseen events occur.
- Ongoing development of new and industry-leading products and services, along with the ability to develop tailor-made solutions when existing offerings do not meet client needs.
- An unwavering commitment to customer service excellence and to supporting their clients.
- No matter what your business or need, they deliver the deep resources and commitment that enable you to pursue your goals with confidence.
