## PROVIDING RISK SHARING CAPTIVE SOLUTIONS FOR YOUR PROGRAM BUSINESS

General Agency Services, Inc. (GAS) is a risk sharing program manager with offices in Mount Pleasant, Michigan, West Hartford, Connecticut, and Houston, Texas. GAS specializes in providing commercial property and casualty alternative risk solutions for niche programs nationwide. Our team has been successfully starting and managing programs for more than ten years. The majority of our underwriters have more than twenty years experience underwriting varied types and classes of risks.

The focus of General Agency Services is to create partnerships and provide program services tailored to your industry specific program. We look for agencies with extensive knowledge and experience in their field and who want to benefit by partnering with an experienced, creative, and solution designed company. GAS is partnered with SPARTA Insurance Company and leading AM Best A+ rated carriers DiscoverRe (a subsidiary of Travelers) and ACE USA.
